### Foster Program Agreement

I understand that only animals approved by the Fur-Get Me Not Board will be foster animals. Animals with severe behavioral problems and/or that have bitten or shown aggression will not be foster animals under any circumstance. Fur-Get Me Not Rescue will provide food and vetting, which includes spay/neuter, worming, rabies and parvo/distemper vaccine (other tests/procedures/treatments must be pre-approved by the board). I will provide shelter, training and love. I am fully responsible for the well being of the animal and for letting a Fur-Get Me Not Representative know if the animal goes astray or becomes ill. If the animal becomes ill, I will take it to the veterinarian specified by the representative. Fur-Get Me Not Rescue is not liable for bites or injury caused by the animal while in foster care. The foster's homeowner policy should contain a liability clause to cover such an incident. I understand that I am not to personally adopt out my foster animal before Fur-Get Me Not Rescue board approves the adopter. I understand that I am to immediately contact a Fur-Get Me Not Representative if I can no longer foster the animal.
